BETAH Associates Wins Navy Contract

Bethesda, MD, March 26, 2003 – BETAH Associates, Inc., (BETAH) has been awarded a major contract by the Naval Air Systems Command (NAVAIR) Aircraft Division. BETAH was one of 4 contract awardees on a highly competitive bid.

Primary work for the administrative support services contract will commence on April 1 at Patuxent River, MD and also at NAVAIR facilities in Jacksonville, FL; Cherry Point, N.C.; and Lakehurst, N.J.

“This award recognizes BETAH’s strong management and quality performance,” said company president Wilhelmina Bell-Taylor. “We’re delighted to offer jobs that support our nation’s military services at the same time that we develop local communities.”

BETAH is a woman-owned small business with staff at corporate headquarters in Bethesda, MD, and at client sites throughout the Washington, DC metro area. The firm’s 15-year history of financial stability, integrity and strong performance was recognized by selection to the INC 500 list of America’s fastest growing privately held companies.

BETAH supports Federal, state and corporate projects in facilities management, policy and management consulting, and communications and information services. Customers include the Department of the Navy, Department of Health and Human Services, National Institutes of Health, Department of Veterans Affairs, Department of Housing and Urban Development, Department of Agriculture, Department of Labor, Federal Emergency Management Agency, National Science Foundation, US Small Business Administration and Defense Mapping Agency.

BETAH has established a reputation for excellence and values. The name BETAH is a term from the Old Testament that signifies trust and confidence. The firm’s goal is to instill in clients, employees, partners and the community a sense of trust and confidence that BETAH is fair, decisive, socially responsible and committed to quality products and services.
